In the amorous memory of GIANFRANCO COGNINIC with a heavy heart, we say goodbye to Gianfranco Cognini, a beacon of joy and strength in our lives. Gianfranco was not just a figure to admire; he was the embodiment of warmth and unconditional love. Every year, invariably, he contacted us: his voice on the phone, a familiar and comforting presence, he sang "Happy Birthday" with genuine enthusiasm to me and my son Niccolò. These moments, simple but profoundly significant, highlighted Gianfranco's caring nature and his dedication to cultivating the ties of family and friendship. His presence was a guiding light, illuminating the path of kindness, integrity and compassion. In remembering Gianfranco we celebrate the gift of having known such an extraordinary soul. It will forever be a part of our lives, living in the stories we share and the love we carry in our hearts. Gianfranco Cognini, you have left an indelible mark in our hearts. Rest in peace, dear friend and beloved family. You will always be remembered and missed forever. With love Fanny and Niccolò.
